

# Are You Ready for **BLACK FRIDAY?**

**Place your Scrip gift card orders by  
Tuesday, November 17th in order to have  
your order back in time for *Black Friday*  
shopping on November 27th.**

We have increased the number of cards and retailers we normally keep in stock in order to meet demand during the Christmas shopping season but some cards will still need to be ordered.

A complete roster of retailer gift cards can be found at  
<http://www.glscrip.com/report/productlistreport.aspx>

Remember that when you buy your gift cards through SVDPRS, we make a profit from the RETAILER not you!  
You get 100% of your value when you buy our gift cards.  
(Ex. Send in \$20 for a Toys R Us gift card and you'll get a \$20 Toys R Us gift card.) How simple is that?

**Thank you for your support of this  
important SVDPRS fundraiser and have a  
blessed holiday season!**
