Friday, November 27th
Saturday, November 28th

Shop at the Five Below store in Mays Landing on either of these two days and 10% of your total purchase will be given back to St. Vincent de Paul Regional School.

This is a great opportunity to buy some pretty cool, reasonably priced stocking stuffers and presents.

More information on the program, including the coupon you will need to use will be sent home next week.

Hope to see you there!
