Educating students from Hamilton Township,
Egg Harbor Township and the surrounding area
for over 46 years.

Saint Vincent de Paul Regional School

INTRODUCTION

St. Vincent de Paul Regional School is a Roman Catholic center of learning dedicated to the intellectual and moral education of our students through 8th grade. We provide a supportive environment where children are encouraged to challenge themselves both academically and socially while preparing themselves to one day take an active role in a rapidly changing global society.

ACADEMICS

St. Vincent's academic curriculum is in accordance with both the Diocese of Camden and the State of New Jersey. In addition to a rigorous core curriculum, students also receive instruction in religion, technology, music, art and physical education.

We strive to provide a solid foundation on which your children will build their academic future by offering innovative programs such as Wilson Language Training, Foundations Spelling & Phonics and Singapore Mathematics. Advanced mathematics, including pre-algebra and algebra is available for those children in 6th through 8th grade that meet class requirements. Reading groups address the varied reading abilities in the younger grades while special projects incorporating all areas of education are offered to advanced students in the upper grades. Our smaller class sizes often allow for individual instruction from teachers and in-class support from the basic skills staff. The dedicated teachers at St. Vincent's continuously work to address the many learning styles of our students.

All classrooms are outfitted with state of the art SMARTboard technology. We employ a 100% NJ certified teaching staff and are proud to have met the prescribed qualitative standards of the Middle States Association of Colleges and Schools for the past several years.

ACTIVITIES

In addition to academics, students are encouraged to pursue their interests and participate in our in-school and after-school extracurricular activities. These include:

- Basketball
- Track
- Cross-Country
- Student Council
- Elective Courses
- Choir
- Altar Servers
